Question #	Resident Services Recertification Questions	Answer Type	Attachments
	<p><b>When completing this Re-certification application, unless otherwise noted, all questions refer to properties where the organization provides resident service coordination and has resident service staff. It does not imply that the organization's entire portfolio needs to have these services. Please answer the questions as it relates to the properties where these services and coordination are in place.</b></p> <p><b><i>Note: All threshold questions are highlighted in <u>green</u>.</i></b></p> <p><b><i>PLEASE NOTE: Many of the questions throughout this application provide a text box for the applicant to provide an answer. These text boxes have a maximum word limit of 1000 words. There is NO word minimum required for these answers. However, the applicant should use their best judgement to provide succinct answers that also provide reviewers with enough information and context to clearly and fully answer the question(s).</i></b></p>		
<b>A. Portfolio Profile</b>			
<b>ORGANIZATION NAME</b>		Text Box	
1A	<p><b>Select the appropriate Resident Services Coordination Model for your organization.</b></p> <p><b>*Direct Resident Services Coordination</b> -- Affordable housing organizations that have direct responsibility for the management, delivery, and implementation of Resident Service Coordination at their own properties. Organizations are not required to provide resident services coordination at all their properties, but must provide services in at least a portion of their properties.</p> <p><b>*Hybrid Resident Services Coordination</b> – Affordable housing organizations that contract with an un-related third party entity (either property management company or another services organization) to hire the property-based resident services coordinators/staffing, but the housing owner/organization retains leadership, management, and support capacity for resident services coordination at their properties.</p>	Drop Down

1C	<p>Please describe any significant changes in your organization's portfolio over the last five years (since you were last certified), including any significant changes to your resident services across your portfolio.</p> <p>Has the organization seen a growth in the number of properties they own and operate or where they provide resident services? A reduction in the number of properties or where they provide services? A strategic decision to focus on certain geographies, populations, or property types? If there have not been any significant changes to the portfolio or resident services commitments, please reflect on why the organization has not had any change.</p>	Text Box	

<b>B. Resident Services Coordination</b>			
<i>Resident Services Coordination -- Refers to all functions tied to the organizational mission to implement resident services, including corporate and site-based staff, funding, technology systems, services and programs, research and evaluation, organizational knowledge and tools necessary to support resident services.</i>			
2A	Please upload an Organizational Chart. This should show who is responsible at the Corporate, Regional, and Property levels for resident services coordination. The chart should list staff positions by title (staff names may be included if you wish, but are not required) and outline the relationships between staff. In addition to showing your resident services staffing infrastructure, the chart(s) should demonstrate where the resident services function sits in the larger organization. Note: It is fine to submit multiple charts to demonstrate this.	UPLOAD	Org. Chart
