Question #	Resident Services Certification Questions	Answer Type	Attachments
	<p>When completing the Re-certification application, unless otherwise noted, all questions refer to properties where the organization provides resident service coordination and has resident service staff. It does not imply that the organization's entire portfolio needs to have these services. Please answer the questions as it relates to the properties where these services and coordination are in place.</p> <p>Note: All threshold questions are highlighted in green.</p> <p>PLEASE NOTE: Many of the questions throughout this application provide a text box for the applicant to provide an answer. These text boxes have a maximum word limit of 1000 words. There is NO word minimum required for these answers. However, the applicant should use their best judgement to provide succinct answers that also provide reviewers with enough information and context to clearly and fully answer the question(s).</p>

1C	<p>Please describe any significant changes in your organization's portfolio over the last five years (since you were last certified), including any significant changes to your resident services across your portfolio.</p> <p>Has the organization seen a growth in the number of properties they own and operate or where they provide resident services? A reduction in the number of properties or where they provide services? A strategic decision to focus on certain geographies, populations, or property types? If there have not been any significant changes to the portfolio or resident services commitments, please reflect on why the organization has not had any change.</p>	Text Box	

B. Resident Services Coordination

Resident Services Coordination -- Refers to all functions tied to the organizational mission to implement resident services, including corporate and site-based staff, funding, technology systems, services and programs, research and evaluation, organizational knowledge and tools necessary to support resident services.

Note: For hybrid organizations, property resident services staff may be provided through a third party contractor.

2A	<p>Please upload an Organizational Chart. This should show who is responsible at the Corporate, Regional, and Property levels for resident services coordination. The chart should list staff positions by title (staff names may be included if you wish, but are not required) and outline the relationships between staff. In addition to showing your resident services staffing infrastructure, the chart(s) should demonstrate where the resident services function sits in the larger organization. Note: It is fine to submit multiple charts to demonstrate this.</p> <p>If property level resident services staff are hired by a third party contractor/entity, please note this on the chart (or an additional chart) and indicate their direct and indirect supervision and reporting relationships.</p>	UPLOAD	Org. Chart
2B	<p>If your organizational structure has changed significantly since your last application, especially as it relates to resident services, please describe this change.</p>	Text Box	
3	<p>Please describe the organization's overall approach to resident services coordination including how the contracting entity/property level, regional, and corporate level staff support resident services? (An executive summary). How has the approach evolved as the portfolio and/or the organization have changed?</p> <p>Reviewers will view this in conjunction with the property profile and organizational chart. If further detail is needed, please provide details in your response. This should also describe any role that property management staff has in supporting resident services outreach and delivery, if property management staff are a core part of the resident services delivery model.</p>	Text Box
